Re: Help Desk Phone Line Now Available – Performance issues in ProcureAZ.

Rather than sending out multiple messages to clog your inbox. Allow us to address two separate issues.

1. The Help Desk line is once again available. If phone support is needed you may once again call 602-542-7600 to reach the ProcureAZ Help Desk.
2. **If you are experiencing performance issues in the ProcureAZ website, please contact the Help Desk so we can document the issue.**

Thank you,
